Civ. No. 08-5653 (PAC)

**EXHIBIT A-1**

**NOTICE OF PENDENCY OF CLASS ACTION, PRELIMINARY APPROVAL ORDER,  
AND PROPOSED SETTLEMENT, SETTLEMENT FAIRNESS HEARING AND MOTION  
FOR ATTORNEYS' FEES AND REIMBURSEMENT OF LITIGATION EXPENSES**

*A Federal Court authorized this Notice. This is not a solicitation from a lawyer.*

**NOTICE OF PENDENCY OF CLASS ACTION:** Please be advised that your rights may be affected by the above-captioned class action lawsuit pending in this Court (the "Action") if you purchased or otherwise acquired an interest in any Home Equity Mortgage Pass-Through Certificates issued by any of the following four (4) HEMT trusts: Series 2006-4 ("HEMT 2006-4"), Series 2006-5 ("HEMT 2006-5"), Series 2006-6 ("HEMT 2006-6"), and Series 2007-2 ("HEMT 2007-2").<sup>1</sup>

**NOTICE OF SETTLEMENT:** Please also be advised that Lead Plaintiff New Jersey Carpenters Health Fund on behalf of itself and the Settlement Class (as defined in ¶ 1 below), has reached a proposed settlement (the "Settlement") of the Action for a total of \$110 million U.S. dollars in cash that will resolve all claims in the Action against defendants Credit Suisse First Boston Mortgage Securities Corporation, Andrew A. Kimura, Thomas Zingalli, Jeffrey A. Altabef, Michael A. Marriott, Evelyn Echevarria and Credit Suisse Securities (USA) LLC (collectively, the "Defendants") on the terms set forth below.

This Notice explains important rights you may have, including your possible receipt of cash from the Settlement. Your legal rights will be affected whether or not you act. **PLEASE READ THIS NOTICE CAREFULLY!**

1. **Description of the Action and the Settlement Class:** The proposed Settlement, if approved by the Court, will apply to the following Class (the "Settlement Class"):

all Persons that (1) purchased or otherwise acquired an interest in any Certificates in Home Equity Mortgage Trust ("HEMT") 2006-5 on or before June 3, 2008; or (2) purchased or otherwise acquired an interest in any Certificates in HEMT 2006-4, HEMT 2006-6, or HEMT 2007-2 on or before March 23, 2009, *but excluding*: (i) Persons timely and validly requesting exclusion from the class pursuant to and in accordance with the terms of the Preliminary Approval Order or who previously released Securities Act claims against any of the Defendants relating to HEMT 2006-4, HEMT 2006-5, HEMT 2006-6 or HEMT 2007-2; and (ii) any of the Defendants in the Action, their officers and directors at all relevant times, members of their immediate families, and their legal representatives, heirs, successors or assigns and any entity in which any Defendant has or had a controlling interest, *except for any Investment Vehicle*, to the extent such entities themselves had a proprietary (*i.e.* for their own account) interest in the Certificates.

2. **Statement of Settlement Class's Recovery:** Subject to Court approval, and as described more fully in ¶¶ 47-49 below, Lead Plaintiff, on behalf of itself and the Settlement Class, have agreed to settle all Released Claims against the Defendants in exchange for a settlement payment of \$110 million in cash (the "Settlement Amount") to be deposited into an interest-bearing escrow account (the "Settlement Fund") and certain other terms. The Settlement Fund less all Taxes, Tax Expenses, Notice and Administration Costs, and attorneys' fees and Litigation Expenses

<sup>1</sup> All capitalized terms that are not defined herein shall have the meaning ascribed to them in the Stipulation and Agreement of Settlement (the "Stipulation").

awarded to Lead Counsel (the “Net Settlement Fund”) will be distributed to members of the Settlement Class in accordance with a plan of allocation (the “Plan of Allocation”) that will be submitted and approved by the Court. The proposed Plan of Allocation is included in this Notice, and may be modified by the Court without further notice.

3. **Statement of Average Distribution Per \$1,000 in Initial Certificate Value:** The Settlement Fund consists of \$110 million plus any interest earned while the funds are held in the escrow account. For the Settlement Fund, based on the total original principal balances as stated in the prospectus supplements for the Offerings (without subtracting the principal pay downs received) and the \$110 million in the Settlement Fund prior to payment of Court-approved attorneys’ fees and expenses, the estimated average distribution is approximately \$64.94 per \$1,000 in original principal balance for the Certified Claimants (as defined in ¶ 4 below), and approximately \$6.98 per \$1,000 in original principal balance for the Non-Certified Claimants (as defined in ¶ 4 below).

4. **Estimate of Average Amount of Recovery:** The \$110 million Settlement Fund and the interest earned thereon while it is held in escrow before distribution, less all Taxes, Tax Expenses, Notice and Administration Costs, and attorneys’ fees and Litigation Expenses awarded to Lead Counsel (the “Net Settlement Fund”), shall be divided among members based on the acceptable Proof of Claim Forms submitted by members of the Settlement Class (“Authorized Fund Claimants”) as follows:

Settlement Group 1 (the “Certified Claimants”) will be composed of those members of the Settlement Class who purchased or otherwise acquired Certificates issued by any of the following two (2) HEMT trusts — HEMT 2006-5 and HEMT 2007-2; and

Settlement Group 2 (the “Non-Certified Claimants”) will be composed of those members of the Settlement Class who purchased or otherwise acquired Certificates issued by any of the following two (2) HEMT trusts — HEMT 2006-4 and HEMT 2006-6.

5. Purchasers in Settlement Group 1, or the Certified Claimants, will receive their proportionate share of approximately \$104.5 million of the \$110 million Settlement Fund or an average of approximately \$64.94 per \$1,000 of original principal balance before payment of Court-approved attorneys’ fees and expenses.

6. Purchasers in Settlement Group 2, or the Non-Certified Claimants, will receive their proportionate share of approximately \$5.5 million of the \$110 million Settlement Fund or an average of approximately \$6.98 per \$1,000 of original principal balance of the Certificates before payment of Court-approved attorneys’ fees and expenses.

7. Members of the Settlement Class should note, however, that these are only estimates. Members of the Settlement Class may recover more or less than this amount depending on, among other factors, when their Certificates were purchased or sold, the amount of principal that has been repaid, the amount of principal that has been written off, the estimated value of the Certificates on the date a claim concerning those Certificates was first asserted in the Action as indicated in the table listing the Date of First Suit found at [www.HEMTMBSSettlement.com](http://www.HEMTMBSSettlement.com), the number of Settlement Class members who submit timely Proof of Claim Forms, and the amount of such claims, and the Settlement Plan of Allocation, as more fully described below in this Notice. In addition, the actual recovery of members of the Settlement Class may be further reduced by the payment of Court-approved attorneys’ fees and expenses from the Settlement Fund. You should visit the settlement website, [www.HEMTMBSSettlement.com](http://www.HEMTMBSSettlement.com), to determine which of the two Groups described above your Certificates are in.

8. Please Note: as set forth in the Plan of Allocation below, only those Settlement Class Members who purchased or otherwise acquired an interest in their Certificate(s) before the date when a claim concerning their Certificate(s) was first asserted in the Action are eligible to potentially recover from the Net Settlement Fund.

9. **Statement of the Parties’ Position on Damages:** The Defendants deny all claims of wrongdoing and deny that they are liable to the Lead Plaintiff and/or the Settlement Class or that the Lead Plaintiff or other members of the Settlement Class suffered any injury. Moreover, the parties do not agree on the amount of recoverable damages or the average amount of damages per Certificate that would be recoverable if Lead Plaintiff were to prevail on each of the claims. The issues on which the parties disagree include, but are not limited to: (1) whether the statements made or facts allegedly omitted were material, false or misleading; (2) whether the Defendants are otherwise liable under the securities laws for those statements or omissions; (3) whether all or part of the damages allegedly suffered by Lead Plaintiff or members of the Settlement Class were caused by economic conditions or factors other than the allegedly false or misleading statements or omissions; (4) whether Lead Plaintiff and/or Settlement Class Members knew or had reason to know of any alleged misstatements or omissions; and (5) whether Defendants performed adequate due diligence on the underlying mortgage loans prior to selling the Certificates.

10. **Statement of Attorneys' Fees and Expenses Sought:** Prior to final distribution of funds, Lead Counsel will apply to the Court for an award of attorneys' fees from the Settlement Fund in an amount not to exceed 28% of the Settlement Fund (or \$30,800,000.00), net of Court-approved Litigation Expenses, plus interest earned at the same rate and for the same period as earned by the Settlement Fund. In addition, Lead Counsel also will apply for the reimbursement of certain Litigation Expenses paid or incurred in connection with the prosecution and resolution of the Action in an amount not to exceed \$3,100,000.00 plus interest earned at the same rate and for the same period as earned by the Settlement Fund. Litigation Expenses may include reimbursement of the expenses of Lead Plaintiff in accordance with 15 U.S.C. §77z-1a(4). Based on the total initial dollar value of the Certificates as stated in the prospectus supplements (without subtracting the principal pay downs received on the Certificates), and assuming all purchasers of the initially offered Certificates elect to participate, if the Court approves Lead Counsel's fee and expense application, the estimated average cost is \$21.07 per \$1,000 in initial certificate value of the Certificates. The actual cost may be more or less than this amount depending on, among other factors, when their Certificates were purchased or sold, the amount of principal that has been repaid, the estimated value of the Certificates on the applicable date claims relating to that Certificate were first asserted in the Action, the number of Settlement Class Members who timely file Claims, and the Plan of Allocation, as more fully described below in this Notice.

11. **Identification of Attorneys' Representatives:** Lead Plaintiff and the Settlement Class are being represented by Cohen Milstein Sellers & Toll PLLC. Any questions regarding the Settlement should be directed to Joel P. Laitman; Christopher Lometti or Michael Eisenkraft at Cohen Milstein, 88 Pine Street, 14<sup>th</sup> Floor, New York, New York, 10005 (212) 838-7797.

## WHY DID I GET THIS NOTICE?

12. This Notice is being sent to you pursuant to an order of the United States District Court for the Southern District of New York (the "Court" or "District Court") because you or someone in your family may have purchased or otherwise acquired the Certificates described above. The Court has directed us to send you this Notice because, as a potential Settlement Class Member, you have a right to know about your options before the Court rules on the proposed Settlement of this case. Additionally, you have the right to understand how a class action lawsuit may generally affect your legal rights.

13. A securities class action is a type of lawsuit in which the claims of a number of investors are resolved together, thus providing the class members with both consistency and efficiency. In a securities class action lawsuit, the Court selects one or more investors, known as class representatives or lead plaintiff, to sue on behalf of all investors with similar claims, commonly known as the class or the class members. Once the class is certified, the Court must resolve all issues on behalf of the class members, except for any investors who choose to exclude themselves from the class. (For more information on excluding yourself from the Class, please read "What If I Do Not Want To Be A Part Of The Settlement? How Do I Exclude Myself?" located below.) In the Action, the Court has directed that Lead Plaintiff and Lead Counsel have primary responsibility for prosecuting all claims against Defendants on behalf of investors in the Certificates described above.

14. The Court in charge of this case is the United States District Court for the Southern District of New York, and the case is known as *New Jersey Carpenters Health Fund, et al., v. DLJ Mortgage Capital, Inc., et al.*, Civil Action No. 08 Civ. 5653 (PAC) (the "Action"). The Judge presiding over this case is the Honorable Paul A. Crotty, United States District Judge. The party who is suing is called the lead plaintiff, and those who are being sued are called defendants. In this case, the New Jersey Carpenters Health Fund is the Lead Plaintiff, suing on behalf of itself and the class, and the defendants are Credit Suisse Securities (USA) LLC and certain of its affiliates, who underwrote and issued the Certificates, and certain officers and directors of those entities who signed the registration statement pursuant to which the Certificates were issued. This Settlement is with all remaining Defendants: Credit Suisse First Boston Mortgage Securities Corporation, Credit Suisse Securities (USA) LLC, Andrew A. Kimura, Thomas Zingalli, Jeffrey A. Altabef, Michael A. Marriott, and Evelyn Echevarria.

15. This Notice explains the Action, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them. The purpose of this Notice is to inform you of this case, that it is a class action, how you might be affected, and how to exclude yourself from the Settlement if you wish to do so. It also is being sent to inform you of the terms of the proposed Settlement, and of a hearing to be held by the Court to consider the fairness, reasonableness and adequacy of the proposed Settlement and the application by Lead Counsel for reimbursement of expenses incurred to date (the "Final Approval Hearing").

16. The Final Approval Hearing will be held on May 10, 2016 at 10:00 a.m., before the Honorable Paul A. Crotty at the United States District Court for the Southern District of New York, 500 Pearl Street, Courtroom 14C, New York, New York 10007, to determine:

- (i) whether the proposed Settlement on the terms and conditions provided for in the Stipulation and Agreement of Settlement (the “Stipulation”) is fair, reasonable and adequate, and should be approved by the Court;
- (ii) whether a judgment should be entered dismissing the Action, on the merits and with prejudice, and whether the release by the Settlement Class of the Released Claims should be ordered;
- (iii) whether the proposed Plan of Allocation is fair and reasonable and should be approved by the Court; and
- (iv) whether Lead Counsel’s request for an award of attorneys’ fees and reimbursement of Litigation Expenses should be approved by the Court.

17. This Notice does not express any opinion by the Court concerning the merits of any claim in the Action, and the Court still has to decide whether to approve the Settlement. Any distribution will not be paid until after the completion of all claims processing. Please be patient.

### **WHAT IS THIS CASE ABOUT? WHAT HAS HAPPENED SO FAR?**

18. On June 3, 2008, the New Jersey Carpenters Health Fund filed a complaint against, *inter alia*, Defendants, in the Supreme Court of the State of New York, County of New York, Index No. 601670/08, asserting claims under Sections 11, 12, and 15 of the Securities Act of 1933, 15 U.S.C. §§ 77a et seq. (the “Securities Act”).

19. On June 23, 2008, the action was removed to the United States District Court for the Southern District of New York, Civ. No. 08-cv-5653. The case was assigned to the Honorable Paul A. Crotty (the “District Court,” or the “Court”).

20. On October 6, 2008, notice of the action was published pursuant to the Private Securities Litigation Reform Act of 1995 (“PSLRA”), notifying eligible purchasers of their right to move for appointment as lead plaintiff.

21. On January 22, 2009, the District Court appointed the New Jersey Carpenters Health Fund as Lead Plaintiff.

22. On June 24, 2009, the District Court approved Lead Plaintiff’s request to appoint Cohen Milstein Sellers & Toll PLLC as Lead Counsel.

23. On March 23, 2009, Lead Plaintiff filed the Amended Securities Class Action Complaint (the “First Amended Complaint”). The First Amended Complaint asserted claims concerning the purchase or sale of securities, issued in four residential mortgage-backed securities offerings (the “Offerings,” each of which is sometimes referred to herein as an “Offering”),<sup>2</sup> pursuant or traceable to a single Registration Statement and accompanying Prospectus filed with the Securities and Exchange Commission by Credit Suisse First Boston Mortgage Securities Corporation (“CSMSCo”) on August 10, 2006 (No. 333-135481), against CSMSCo, DLJ Mortgage Capital, Inc. (“DLJ”), Credit Suisse Securities (USA), LLC (“CSS”), as well as Andrew A. Kimura, Thomas Zingalli, Jeffrey A. Altabef, Michael A. Marriott and Evelyn Echevarria.<sup>3</sup>

24. On June 24, 2009, Defendants moved to dismiss the First Amended Complaint.

25. On March 29, 2010, the Court issued an order (the “March 29, 2010 Order”) granting in part and denying in part Defendants’ motions to dismiss. In the March 29, 2010 Order, the Court found that Lead Plaintiff adequately alleged violations of the Securities Act against Defendants for the HEMT 2006-5 Offering in which the Lead Plaintiff purchased securities, by alleging Defendants’ failure to disclose that the mortgage originators systematically disregarded the applicable underwriting guidelines. The Court dismissed all other Offerings from the case on standing grounds. The Court also dismissed claims regarding appraisals and appraisal practices, loan-to-value ratios, and ratings and rating methodology.<sup>4</sup> The Court also dismissed with leave to amend Lead Plaintiff’s Section 12 claims.

26. On April 14, 2010, Lead Plaintiff filed the Second Amended Securities Class Action Complaint (“Second Amended Complaint”).

<sup>2</sup> The Home Equity Mortgage Trust (“HEMT”) 2006-4, 2006-5, 2006-6, and 2007-2 Offerings.

<sup>3</sup> The First Amended Complaint also asserted claims against Moody’s Investors Service, Inc., a division of Moody’s Corp., and Standard & Poor’s, a division of The McGraw-Hill Companies, Inc. (“Rating Agencies”), but the claims against them were dismissed by the Court and the dismissal of the Action with prejudice, as contemplated by the Settlement, will bring these claims to an end.

<sup>4</sup> The Court also dismissed the claims against the Rating Agencies.

27. On June 9, 2010, Defendants answered the Second Amended Complaint.

28. On June 18, 2010, a joint motion to intervene was filed by Lead Plaintiff and the Public Employees Retirement System of Mississippi (“Miss. PERS”) seeking permission for Miss. PERS to intervene in the case to represent purchasers in HEMT 2006-5 and HEMT 2006-6. On December 15, 2010, the Court denied the motion to intervene.

29. On September 30, 2010, Lead Plaintiff moved to certify a class of Persons who acquired Certificates in HEMT 2006-5, to appoint Lead Plaintiff as Class Representative, and to appoint Cohen Milstein Sellers & Toll PLLC as Lead Counsel (the “First Class Certification Motion”).

30. On August 16, 2011, the Court granted the First Class Certification Motion.

31. On September 11, 2012, Lead Plaintiff filed a motion for reconsideration of the March 29, 2010 Order dismissing the claims as to those Offerings in which Lead Plaintiff did not purchase securities in light of *NECA-IBEW Health & Welfare Fund v. Goldman, Sachs & Co.*, 693 F.3d 145 (2d Cir. 2012) (“NECA-IBEW”). Lead Plaintiff’s reconsideration motion sought to reinstate claims with respect to the three Offerings that had previously been dismissed, HEMT 2006-4, HEMT 2006-6, and HEMT 2007-2.

32. On January 23, 2013, the Court granted in part and denied in part Lead Plaintiff’s motion for reconsideration. Specifically, the Court held that under *NECA-IBEW*, Lead Plaintiff had standing to assert claims relating to HEMT 2007-2, but not HEMT 2006-4 or HEMT 2006-6.

33. On May 20, 2013, Lead Plaintiff filed the Third Amended Securities Class Action Complaint (“Third Amended Complaint”) under seal. The Third Amended Complaint added allegations relating to the HEMT 2007-2 Offering.

34. On July 2, 2013, Defendants filed their Answer and Affirmative Defenses to the Third Amended Complaint under seal.

35. On July 1, 2013, Lead Plaintiff filed a motion to modify the certified class to encompass Persons who acquired the HEMT 2007-2 Certificates (“Second Class Certification Motion”).

36. On March 17, 2014, the Court granted the Second Class Certification Motion.

37. On April 28, 2015, Lead Plaintiff filed motions for summary judgment on various of Defendants’ affirmative defenses, including due diligence. Lead Plaintiff also filed a motion to exclude certain expert testimony of one of Defendants’ experts.

38. That same day, Defendants filed motions for summary judgment on various issues, including falsity, materiality, and loss causation. Defendants also filed motions to exclude certain expert testimony of three of Lead Plaintiff’s experts.

39. By Order dated April 28, 2015, the Court dismissed DLJ as a defendant in the Action.

40. Oppositions to the motions for summary judgment and motions to exclude filed on April 28, 2015 were filed by Lead Plaintiff and Defendants on June 29, 2015. Reply papers were filed on July 29, 2015.

41. On October 2, 2015, Defendants filed a motion to strike certain declarations submitted by one of Lead Plaintiff’s expert in connection with Lead Plaintiff’s motions to exclude and Lead Plaintiff’s opposition to Defendants’ motion for summary judgment on loss causation.

42. On October 14, 2015, Lead Plaintiff filed an opposition to Defendants’ motion to strike.

43. On or around December 2014, Lead Counsel and Defendants began mediation under the auspices of Judge Layn Phillips, a former Federal District Court Judge. The Settling Parties reached a settlement in principle on November 3, 2015.

44. That same day, the Settling Parties executed a term sheet setting forth certain terms of the Settlement subject to the completion of definitive documentation and Court approval.

45. Lead Counsel has conducted extensive discovery relating to the claims and the underlying events and transactions alleged in the Third Amended Complaint. Lead Counsel has analyzed evidence adduced in discovery, including reviewing over 8.9 million pages of documents produced by Defendants and third parties, taking and defending a number of depositions, and gathering and closely examining thousands of loan files. Lead Counsel

researched the applicable law with respect to the claims of Lead Plaintiff and the Settlement Class against the Defendants, as well as the potential defenses thereto, retained and consulted with numerous experts in the areas of damages, loan reunderwriting and due diligence, among others, and has actively litigated this case for the past six years.

46. On January 6, 2016, the Court authorized this Notice to be sent to potential Settlement Class Members, certified the Settlement Class for purposes of the Settlement and scheduled the Final Approval Hearing to consider whether to grant final approval of the Settlement.

## WHAT ARE THE LEAD PLAINTIFF'S REASONS FOR THE SETTLEMENT?

47. Lead Plaintiff and Lead Counsel believe that the claims asserted against the Defendants have merit. Lead Plaintiff and Lead Counsel recognize, however, the expense and length of continued proceedings necessary to pursue their claims against the Defendants through continued discovery, trial and appeals, as well as the difficulties in establishing liability. Lead Plaintiff and Lead Counsel have considered the uncertain outcome of trial and appellate risk in complex lawsuits like this one.

48. In light of the risks of continued litigation, Lead Plaintiff and Lead Counsel believe that the proposed Settlement is fair, reasonable and adequate, and in the best interests of the Settlement Class. Lead Plaintiff and Lead Counsel also believe that the Settlement provides a substantial benefit now, namely Defendants' payment of \$110 million U.S. dollars (less the various deductions described in this Notice), as compared to the risk that the claims would produce a similar, smaller, or no recovery after summary judgment, trial and appeals, possibly years in the future.

49. The Defendants have denied and continue to deny each and all of the claims alleged by Lead Plaintiff in the Action. The Defendants expressly have denied and continue to deny all charges of wrongdoing or liability against them arising out of any and all of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Action. The Defendants have also contended by way of defense, among other things, that all or a portion of the alleged damages to the Settlement Class were caused by economic conditions or factors other than the allegedly false or misleading statements or omissions asserted in the Action and that such damages are not recoverable. The Defendants have further contended, among other things, that the claims are barred by the statute of limitations as to all or some of the members of the Settlement Class. The Defendants also have denied and continue to deny, among other things, the allegations that Lead Plaintiff or the Settlement Class have suffered any damage, or that Lead Plaintiff or the Settlement Class were harmed by the conduct alleged in the Action. The Defendants also have taken into account the uncertainty and risks inherent in any litigation, especially in a complex case such as this. Nonetheless, the Defendants have concluded that further conduct of the Action would be protracted and expensive, and that it is desirable that the Action be fully and finally settled in the manner and upon the terms and conditions set forth in the Stipulation.

## WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?

50. If there was no Settlement and Lead Plaintiff failed to establish any essential legal or factual element of their claims against the Defendants, neither Lead Plaintiff nor members of the Settlement Class would recover anything from the Defendants. Also, if the Defendants were successful in proving any of their defenses, the Settlement Class likely would recover substantially less than the amount provided in the Settlement, or nothing at all.

## HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT?

51. If you are a member of the Settlement Class, you are subject to the Settlement unless you timely request to be excluded. The Settlement Class consists of: all Persons that (1) purchased or otherwise acquired an interest in any Certificates in Home Equity Mortgage Trust ("HEMT") 2006-5 on or before June 3, 2008; or (2) purchased or otherwise acquired an interest in any Certificates in HEMT 2006-4, HEMT 2006-6, or HEMT 2007-2 on or before March 23, 2009, *but* excluding: (i) Persons timely and validly requesting exclusion from the class pursuant to and in accordance with the terms of the Preliminary Approval Order or who previously released Securities Act claims against any of the Defendants relating to HEMT 2006-4, HEMT 2006-5, HEMT 2006-6 or HEMT 2007-2; and (ii) any of the Defendants in the Action, their officers and directors at all relevant times, members of their immediate families, and their legal representatives, heirs, successors or assigns and any entity in which any Defendant has or had a controlling interest, *except* for any Investment Vehicle, to the extent such entities themselves had a proprietary (*i.e.* for their own account) interest in the Certificates.

52. RECEIPT OF THIS NOTICE DOES NOT NECESSARILY MEAN THAT YOU ARE A SETTLEMENT CLASS MEMBER OR THAT YOU ARE ELIGIBLE TO RECEIVE PROCEEDS FROM THE SETTLEMENT. IF YOU WISH TO PARTICIPATE IN THE SETTLEMENT, YOU MUST SUBMIT THE ENCLOSED CLAIM FORM POSTMARKED NO LATER THAN MAY 5, 2016.

## HOW MUCH WILL MY PAYMENT BE? WHEN WILL I RECEIVE IT?

### I. THE PROPOSED PLAN OF ALLOCATION: GENERAL PROVISIONS

53. The Defendants have agreed to pay a total of \$110 million in cash or the Settlement Amount no later than ten (10) business days after preliminary approval of the Settlement by the District Court. At this time, it is not possible to make any determination as to how much individual Settlement Class Members may receive from the Settlement.

54. The \$110 million Settlement Amount, and the interest earned thereon while it is held in escrow before distribution, shall be the Settlement Fund. The Settlement Fund, less all Taxes, Tax Expenses, Notice and Administration Costs, and attorneys' fees and Litigation Expenses awarded to Lead Counsel (the "Net Settlement Fund"), shall be distributed based on the acceptable Proof of Claim Forms submitted by members of the Settlement Class ("Authorized Claimants"). The Net Settlement Fund will be distributed to Authorized Claimants who timely submit acceptable Proof of Claim Forms under the Plan of Allocation described below, or as otherwise ordered by the Court.

55. Your share of the Net Settlement Fund will depend on the aggregate number of Certificates (represented by valid and acceptable Proof of Claim Forms) that members of the Settlement Class in the two groups submit to the Claims Administrator, relative to the Net Settlement Fund for each group; which Certificates you purchased and when you purchased them; how many Certificates you purchased; whether the claims related to those Certificates have been dismissed; whether you held or sold those Certificates; the date on which you sold those Certificates; and the price at which you sold them, among other factors. At this time, it is not possible to determine how much individual Settlement Class Members may receive from the Settlement.

56. A payment to any Authorized Claimant that would amount to less than \$10.00 in total will not be included in the calculation of the Net Settlement Fund, and no payment to those members of the Settlement Class will be made.

57. To determine the amount that an Authorized Claimant may recover under the Plan of Allocation, Lead Counsel conferred with a valuation consultant who estimated the values of the Certificates. The proposed Plan of Allocation is generally based upon the statutory measure of damages for claims asserted with respect to material misrepresentations or omissions in the offering documents issued in connection with the Certificates. This Plan of Allocation concerns damages under Section 11 of the federal Securities Act of 1933. Section 11 concerns liability for untrue statements and omissions in a registration statement, under which losses are calculated as the "difference between the amount paid for the security (not exceeding the price at which the security was offered to the public) and (1) the value thereof at the time such suit was brought, or (2) the price at which such security shall have been disposed of in the market before suit, or (3) the price at which such security shall have been disposed of after suit but before judgment if such damages shall be less than the damages representing the difference between the amount paid for the security (not exceeding the price at which the security was offered to the public) and the value thereof as of the time such suit was brought." Securities Act of 1933, Section 11(e).

58. For each Authorized Claimant, a "Certified Recognized Claim" and a "Non-Certified Recognized Claim" will be calculated. The calculation of such claims, as defined in ¶ 68 below, is not intended to be an estimate of, nor does it indicate, the amount that a Settlement Class Member might have been able to recover after a trial. Nor is the calculation of a Certified Recognized Claim or a Non-Certified Recognized Claim pursuant to the Plan of Allocation an estimate of the amount that will be paid to Authorized Claimants pursuant to the Settlement, which would depend on the total amount of all Certified Recognized Claims and Non-Certified Recognized Claims. The formulas for calculating Certified Recognized Claims and Non-Certified Recognized Claims provide the basis for proportionately allocating the Net Settlement Fund to Authorized Claimants. Those computations are only a method to weigh Settlement Class Members' claims against one another. Each Authorized Claimant will receive a pro rata share of the Net Settlement Fund based on his, her or its Certified Recognized Claim and Non-Certified Recognized Claim.

59. The District Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the claim of any member of the Settlement Class. The Court may approve this Plan of Allocation as proposed or it may modify it without further notice.

## II. CALCULATION OF RECOGNIZED LOSS OR GAIN AMOUNTS

60. A “Recognized Loss or Gain Amount” should be calculated for each purchase or acquisition of a Certificate. The calculation of the Recognized Loss or Gain Amount will depend on several factors, including (i) which Certificate was purchased or acquired; (ii) when the Certificate was purchased or acquired; (iii) whether it was sold, and if so, when it was sold (*i.e.*, before or after suit) and for how much; and (iv) the value of the Certificate on its applicable “Date of First Suit”.<sup>5</sup>

61. The Recognized Loss or Gain Amount will be calculated solely on the outstanding “Face Value” (*i.e.*, the principal amount) for each Certificate at the time of sale, or if not sold, the outstanding Face Value as of the applicable Date of First Suit *i.e.*, Authorized Claimants will not be allocated damages related to principal distributions and interest payments they received prior to the Date of First Suit. In each calculation of Recognized Loss or Gain Amount, the Face Value Sold will be limited to 100% of the Face Value Purchased.

62. The percentage of the original aggregate principal balance<sup>6</sup> that remains to be distributed in a mortgage-backed security is known as the “Mortgage Factor.” The percentage of the original aggregate principal balance that has been written off is defined as the “Distribution Factor.” The Mortgage Factor and Distribution Factor for a specific Certificate on any date will be calculated as follows:

$$\text{Mortgage Factor} = (\text{Certificate's Outstanding Aggregate Principal Balance}/\text{Certificate's Original Aggregate Principal Balance})$$

$$\text{Distribution Factor} = (\text{Certificate's Cumulative Principal Distributions}/\text{Certificate's Original Aggregate Principal Balance})$$

The *Mortgage Factor* and *Distribution Factor* for each month and on the applicable Date of First Suit is set forth in the tables available on the settlement website, [www.HEMTMBSSettlement.com](http://www.HEMTMBSSettlement.com).

For each calculation of the Recognized Loss or Gain Amount, the purchase price used for the calculation may not exceed the price at which the Certificate was offered to the public. Thus, if the actual purchase price exceeds the price at which the Certificate was offered to the public, the price at which it was offered to the public will be used as the purchase price. If the sales price or the value as of the applicable Date of First Suit exceeds the purchase price, then the calculation will result in a “Recognized Gain Amount” for that Certificate. If you have a Recognized Gain Amount for a Certificate, you will not receive recovery in the Settlement for that Certificate.

63. The “Recognized Loss Amount” for each Certificate is to be calculated in a manner consistent with the calculation of losses embodied in Section 11 of the Securities Act. In no case will the Recognized Loss Amount exceed the loss calculated as of the applicable Date of First Suit.

a. The Recognized Loss is zero if the price at which the Certificate was sold or otherwise disposed is greater than the price at which the Certificate was offered to the public or the price at which it was purchased or otherwise acquired.

<sup>5</sup> The Date of First Suit is the date on which a specific Certificate was first included in the Action. A table listing the Date of First Suit for every Offering and CUSIP can be found at [www.HEMTMBSSettlement.com](http://www.HEMTMBSSettlement.com).

<sup>6</sup> The “Aggregate Principal Balance” of the certificate is also referred to as the “Face Value” of the certificate.

b. The loss or gain of the Certificate's value on the applicable Date of First Suit is calculated as follows:

*Sale proceeds that would have been realized on the applicable Date of First Suit<sup>7</sup>*

Less the purchase amount

Plus the cumulative principal distributions between the date of purchase and the applicable Date of First Suit.

To reflect the declining Aggregate Principal Balance or Face Value of the certificates,  
the loss or gain can also be calculated as:

[Face Value at applicable date of First Suit x (value at applicable Date of First Suit) / 100)]

Less

[Face Value at the purchase date x (purchase price / 100)]

Plus cumulative principal distributions between the date of purchase and the applicable Date of First Suit<sup>8</sup>

c. For Certificates sold whether prior to or after the applicable Date of First Suit, the loss or gain of the Certificate's value is calculated as follows:

*Sale proceeds*

Less the purchase amount

Plus the cumulative principal distributions between the date of purchase and sale date.

To reflect the declining Aggregate Principal Balance or Face Value of the certificates,  
the loss or gain can also be calculated as:

[Face Value on the sale date x (sale price) / 100)]

Less

[Face Value at the purchase date x (purchase price / 100)]

Plus cumulative principal distributions between the date of purchase and sale date<sup>9</sup>

If a sale did not result in a complete disposition of an investor's ownership in a particular Certificate (*i.e.*, only a portion of the investor's ownership in the Certificate was sold), a Recognized Loss or Gain Amount, if any, related to the remaining portion of the Certificate would be calculated separately.

d. For Certificates sold prior to the applicable Date of First Suit, the Recognized Loss or Gain Amount is calculated as the loss or gain of the Certificate's value upon sale (*i.e.*, ¶ 63(c) above).

e. For Certificates sold after the applicable Date of First Suit, the Recognized Loss Amount is calculated as the lesser (in absolute value) of the loss of the Certificate's value on the applicable Date of First Suit (*i.e.*, ¶ 63(b) above) or the loss of the Certificate's value upon sale (*i.e.*, ¶ 63(c) above).<sup>10</sup> For Certificates sold after the applicable Date of First Suit, the Recognized Gain Amount is calculated as the greater of the gain of the Certificate's value on the applicable Date of First Suit (*i.e.*, ¶ 63(b) above) or the gain of the Certificate's value upon sale (*i.e.*, ¶ 63(c) above).

f. For Certificates that were not sold and have been retained as of the date the Court enters the Preliminary Approval Order, the Recognized Loss or Gain Amount is the loss or gain of the Certificate's value on the applicable Date of First Suit calculated in ¶ 63(b), above.

64. Notwithstanding the above provisions, the Recognized Loss or Gain Amount for any Certificate purchases or other acquisitions that occurred after the Date of First Suit is zero.

<sup>7</sup> This shall be calculated as: Original Face Value of Certificates Purchased x Mortgage Factor on the Date of First Suit x (Value at Applicable Date of First Suit/100).

<sup>8</sup> The *Face Value at applicable Date of First Suit or purchase date* (sometimes referred to as the "Current Face Value") is equal to the Original Face Value of the Certificates purchased times the *Mortgage Factor* on the Date of the First Suit or purchase date, respectively. *Cumulative Principal Distributions* between the date of purchase and Date of First Suit are calculated based on the change in the *Distribution Factor* between the purchase date and the Date of the First Suit times the Original Face Value of the Certificates purchased and sold.

<sup>9</sup> The *Face Value at applicable purchase or sale date* is equal to the original face value of the Certificates or the purchased times the *Mortgage Factor* on the purchase or sale date, respectively. *Cumulative Principal Distributions* between the purchase and sale date are calculated based on the change in the *Distribution Factor* between the purchase date and the sale date times the original face value of the Certificates purchased and sold.

<sup>10</sup> If either ¶ 63(b) or ¶ 63(c) calculate to a gain, the Recognized Loss Amount is \$0.00.

65. Prior to the date of the Settlement, claims relating to Certificates for two (2) of the four (4) HEMT trusts included in the Settlement had been dismissed from the Action by the Court.<sup>11</sup> Thus, at the time of Settlement, the only certified class consisted of purchasers of Certificates in two (2) HEMT trusts. Accordingly, the Settlement Plan of Allocation distinguishes amongst two groups:

Settlement Group 1 (the “Certified Claimants”) will be composed of those members of the Settlement Class who purchased or otherwise acquired Certificates issued by any of the following two (2) HEMT trusts — HEMT Series 2006-5 and HEMT 2007-2; and

Settlement Group 2 (the “Non-Certified Claimants”) will be composed of those members of the Settlement Class who purchased or otherwise acquired Certificates issued by any of the following two (2) HEMT trusts — HEMT Series 2006-4 and HEMT Series 2006-6.

66. Of the Settlement Fund, approximately 95% or \$104.5 million, will be allocated to Certified Claimants; and approximately 5% of the Settlement Fund, or \$5.5 million, will be allocated to the Non-Certified Claimants.

67. A “Total Recognized Loss by CUSIP” will be calculated for each Authorized Claimant on a CUSIP by CUSIP basis. Accordingly, multiple transactions by an Authorized Claimant in a single CUSIP will be netted; *i.e.*, the total Recognized Gain or Loss Amounts for that CUSIP shall be calculated by (1) totaling the Recognized Loss Amounts for that CUSIP; and (2) subtracting from that total Recognized Loss Amount the total of all Recognized Gain Amounts for that CUSIP. A Total Recognized Loss for a CUSIP cannot be less than zero.

68. For each Authorized Participant a “Certified Recognized Claim” will be calculated which is the sum of all of that Authorized Claimant’s Total Recognized Loss by CUSIPs for the HEMT Series 2006-5 and HEMT 2007-2, and a “Non-Certified Recognized Claim” will be calculated which is the sum of all of that Authorized Claimant’s Total Recognized Loss by CUSIPs for the HEMT Series 2006-4 and HEMT Series 2006-6.

### **III. DISTRIBUTION OF THE NET SETTLEMENT FUND**

69. The “Certified Recognized Claim” and “Non-Certified Recognized Claim” (together “Recognized Claims”) will be used solely to calculate the relative amount of the Net Settlement Fund for each Authorized Claimant and does not reflect the actual amount an Authorized Claimant may expect to recover from the Net Settlement Fund. The combined Recognized Claims of all Authorized Claimants may be greater than the Net Settlement Fund. If this is the case, and subject to the \$10.00 minimum payment requirement described in ¶ 56 above, each Authorized Claimant shall receive his, her or its pro rata share of the Net Settlement Fund, which shall be calculated as:

His, her or its Certified Recognized Claim divided by the total of all Certified Recognized Claims to be paid, multiplied by 95% of the Net Settlement Fund

Plus

His, her or its Non-Certified Recognized Claim divided by the total of all Non-Certified Recognized Claims to be paid, multiplied by 5% of the Net Settlement Fund.

70. Payment pursuant to the Plan of Allocation shall be conclusive against all Authorized Claimants. No Person shall have any claim based on distributions made substantially in accordance with the Stipulation and the Settlement contained therein, the Plan of Allocation, or further order(s) of the Court against Lead Counsel, Lead Plaintiff, Settlement Class Members, the Claims Administrator, Defendants and the Released Parties (defined below), or any person designated by Lead Counsel. All members of the Settlement Class who fail to timely submit an acceptable Proof of Claim Form by the deadline set by the Court, or such other deadline as may be ordered by the Court, or otherwise allowed, shall be forever barred from receiving any payments pursuant to the Settlement, but will in all other respects be subject to and bound by the terms of the Settlement, including the release of the Released Claims.

71. The Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the claim of any member of the Settlement Class.

72. The Plan of Allocation set forth herein is the proposed plan submitted by Lead Plaintiff and Lead Counsel for the Court’s approval. The Court may approve this plan as proposed or it may modify it without further notice to the Settlement Class.

## WHAT RIGHTS AM I GIVING UP BY AGREEING TO THE SETTLEMENT?

73. If the Settlement is approved, the Court will enter a judgment (the "Judgment"). The Judgment will dismiss with prejudice the claims in the Action and will provide that Lead Plaintiff and all other Settlement Class Members, on behalf of themselves and any of their personal representatives, spouses, domestic, partners, trustees, heirs, executors, administrators, successors or assigns shall be deemed to have — and by operation of the Judgment shall have — fully and finally released, dismissed and forever discharged the Released Claims, and shall forever be enjoined from pursuing any or all Released Claims (including, without limitation, instigating, voting in favor of or otherwise supporting the assertion of any claim seeking repurchase or substitution (or other contractual or "putback") rights with respect to any residential mortgage loan included in HEMT 2006-4, HEMT 2006-5, HEMT 2006-6 or HEMT 2007-2 Offerings other than in any action filed prior to November 3, 2015), whether directly or indirectly, whether on their own behalf or otherwise, and regardless of whether or not such Settlement Class Member executes and delivers a Proof of Claim Form (except that the foregoing provision shall not apply to any such representative, spouse, domestic partner, trustee, heir, executor, administrator, successor or assign who independently would be a member of the Settlement Class and timely excludes himself, herself or itself).

74. There is a risk that Lead Plaintiff and Settlement Class Members may hereafter discover facts in addition to or different from those which they now know or believe to be true with respect to the subject matter of the Released Claims, but Lead Plaintiff shall expressly fully, finally and forever settle and release — and each Settlement Class Member shall be deemed to have, and by operation of the Judgment shall have fully, finally and forever settled and released — any and all Released Claims, known or unknown, suspected or unsuspected, contingent or non-contingent, matured or unmatured, whether or not concealed or hidden, which now exist, or heretofore have existed, or can, shall or may exist, upon any theory of law or equity now existing or coming into existence in the future, including, but not limited to, conduct which is negligent, reckless, intentional, with or without malice, or a breach of any duty, law or rule, without regard to the subsequent discovery or existence of such different or additional facts. Lead Plaintiff acknowledge, and Class Members by law and operation of the Judgment shall be deemed to have acknowledged, that the inclusion of "Unknown Claims" (defined below) in the definition of Released Claims was separately bargained for and was a material element of the Settlement.

75. The Judgment also will provide that the Defendants and each of the other Released Parties will be deemed to have released, dismissed and forever discharged Lead Plaintiff, each and all of the Settlement Class Members, and Lead Counsel from all claims (including, without limitation, unknown claims) arising out of, relating to, or in connection with the institution, prosecution, assertion, Settlement or resolution of the Action or the Released Claims.

76. "Released Claims" means any and all claims, demands, rights, liabilities and causes of action of every nature and description, whether known or unknown, suspected or unsuspected, contingent or non-contingent, matured or unmatured, whether or not concealed or hidden, which now exist, or heretofore have existed, or can, shall or may exist, whether arising under federal, state, common or foreign law or at equity, against the Released Parties and arising from or relating in any way to either: (i) the purchase or other acquisition of an interest in HEMT 2006-4, HEMT 2006-5, HEMT 2006-6, and HEMT 2007-2 Certificates during the Class Period; or (ii) the acts, failures to act, transactions, facts, events, matters, disclosures, statements, occurrences, representations, or omissions that were or could have been alleged by Lead Plaintiff in the Action. The Released Claims include Unknown Claims but exclude claims to enforce the Settlement. The Settlement shall include a bar order that permanently enjoins all members of the Settlement Class from instituting any action against Defendants with respect to the Released Claims.

77. "Released Party" and "Released Parties" means (i) each Defendant and each and all his, her or its respective past, current, and future parents, subsidiaries, affiliates, successors, assigns, related entities, directors, officers, employees, employers, attorneys, accountants, financial advisors, commercial bank lenders, insurers, investment bankers, representatives, general and limited partners and partnerships, heirs, executors, administrators, successors, affiliates, agents, spouses, associates and assigns of each of them or any trust of which any Released Parties are the settlor or which is for the benefit of any Released Parties and/or members of his or her family, and (ii) any entity in which any such Released Parties has a controlling interest.

## **WHAT PAYMENT ARE THE ATTORNEYS FOR THE CLASS SEEKING? HOW WILL THE LAWYERS BE PAID?**

78. Lead Counsel has not received any payment for its services in pursuing claims against Defendants on behalf of the Settlement Class, nor has Lead Counsel been reimbursed for its out-of-pocket expenses. Before final approval of the Settlement, Lead Counsel intends to apply to the Court for an award of attorneys' fees from the Settlement Fund in an amount not to exceed 28% of the Settlement Fund (or \$30,800,000.00), net of Court-approved Litigation Expenses, plus interest at the same rate and for the same time period as earned by the Settlement Fund. At the same time, Lead Counsel also intends to apply for the reimbursement of certain Litigation Expenses in an amount not to exceed \$3,100,000.00, plus interest at the same rate and for the same time period as earned by the Settlement Fund. Litigation Expenses may include reimbursements for, among other things, lost wages and litigation related expenses of Lead Plaintiff in accordance with 15 U.S.C. § 77z-1a(4). The sums approved by the Court will be paid from the Settlement Fund. Members of the Settlement Class are not personally liable for the payment of these sums.

79. Defendants take no position on the request by Lead Counsel for attorneys' fees and reimbursement of Litigation Expenses or on the allocation of attorneys' fees and expenses among counsel representing the Settlement Class.

## **HOW DO I PARTICIPATE IN THE SETTLEMENT? WHAT DO I NEED TO DO?**

80. If you purchased Certificates described above, and you are not excluded by the definition of the Settlement Class and you do not timely exclude yourself from the Settlement Class in the manner provided in this Notice, then you are a member of the Settlement Class and you will be bound by the proposed Settlement if the Court approves it, and by any judgment or determination of the Court affecting the Settlement Class. If you are a member of the Settlement Class, you must submit a Proof of Claim Form and supporting documentation to establish your entitlement to share in the Settlement. A Proof of Claim Form is included with this Notice, or you may go to the website maintained by the Claims Administrator for the Settlement to request that a Proof of Claim Form be mailed to you. The website is [www.HEMTMBSSettlement.com](http://www.HEMTMBSSettlement.com). You may also request a Proof of Claim Form by calling toll-free (877) 854-3797 or emailing [info@HEMTMBSSettlement.com](mailto:info@HEMTMBSSettlement.com). Copies of the Proof of Claim Form can also be downloaded from Lead Counsel's website at [www.cohenmilstein.com](http://www.cohenmilstein.com). Those who exclude themselves from the Settlement Class, and those who do not submit timely and valid Proof of Claim Forms with adequate supporting documentation will not be eligible to share in the Settlement. Please retain all records of your ownership of, or transactions in the Certificates, as they may be needed to document your claim.

81. As a Settlement Class Member, you are represented by Lead Plaintiff and Lead Counsel unless you enter an appearance through counsel of your own choice at your own expense. You are not required to retain your own counsel, but if you choose to do so, such counsel must file a notice of appearance on your behalf and must serve copies of his or her notice of appearance on the attorneys listed in the section below entitled, "When and Where Will the Court Decide Whether to Approve the Settlement?"

82. If you do not wish to remain a Settlement Class Member, you may exclude yourself from the Settlement Class by following the instructions in the section below entitled, "What If I Do Not Want To Be A Part Of The Settlement? How Do I Exclude Myself?"

83. If you wish to object to the Settlement or any of its terms, the proposed Plan of Allocation, or Lead Counsel's application for attorneys' fees and reimbursement of Litigation Expenses, and if you do not exclude yourself from the Settlement Class, you may present your objections by following the instructions in the section below entitled, "When and Where Will the Court Decide Whether to Approve the Settlement?"

## **WHAT IF I DO NOT WANT TO BE A PART OF THE SETTLEMENT? HOW DO I EXCLUDE MYSELF?**

84. Each Settlement Class Member will be bound by all determinations and judgments in this Action, including those concerning the Settlement, whether favorable or unfavorable, unless such person or entity mails, by first class mail (or its equivalent outside the U.S.), or otherwise delivers a written Request for Exclusion from the Settlement Class, addressed to HEMT MBS Settlement Administrator, P.O. Box 3266 Portland, OR 92708-3266. The exclusion request must be received no later than April 12, 2016. Each Request for Exclusion must clearly indicate the name, address and telephone number of the person seeking exclusion, that the sender requests to be excluded from the Settlement Class in the case styled *New Jersey Carpenters Health Fund v. DLJ Mortgage Capital, Inc. et al.*, No. 08-cv-5653-PAC (S.D.N.Y.), and must be signed by such person. Such persons requesting exclusion are also directed to provide the following information: (i) the identity and original face value of Certificates purchased (or otherwise

acquired) or sold; (ii) the prices or other consideration paid or received for such Certificates; (iii) the date of each purchase or sale transaction; and (iv) proper evidence of the transactions. Requests for exclusion will not be valid if they do not include the information set forth above and are not received within the time stated above, unless the Court otherwise determines.

85. If a person or entity requests to be excluded from the Settlement Class, that person or entity will not receive any benefit provided for in the Stipulation.

**WHEN AND WHERE WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENT?  
DO I HAVE TO COME TO THE HEARING?  
MAY I SPEAK AT THE HEARING IF I DON'T LIKE THE SETTLEMENT?**

86. **If you do not wish to object in person to the proposed Settlement and/or the application for reimbursement of litigation expenses, you do not need to attend the Final Approval Hearing. You can object to or participate in the Settlement without attending the Final Approval Hearing, but your objection must be written.**

87. The Final Approval Hearing will be held on May 10, 2016, at 10:00 a.m., before the Honorable Paul A. Crotty at the United States District Court for the Southern District of New York, 500 Pearl Street, Courtroom 14C, New York, New York 10007. The Court reserves the right to approve the Settlement at or after the Final Approval Hearing without further notice to the members of the Settlement Class. The Court has the right to approve the Settlement, the Plan of Allocation or the request for attorneys' fees and reimbursement of Litigation Expenses at or after the Final Approval Hearing without further notice to the members of the Settlement Class.

88. Any Settlement Class Member who does not request exclusion in accordance with ¶¶ 84-85 above may object to the Settlement, the Plan of Allocation, or Lead Counsel's request for an award of attorneys' fees and reimbursement of Litigation Expenses. Objections or oppositions must be in writing. You must file any written objection or opposition, together with copies of all other supporting papers and briefs, with the Clerk's Office at the United States District Court for the Southern District of New York at the address set forth below on or before April 26, 2016. You must also serve the papers on Lead Counsel for the Settlement Class and counsel for the Defendants at the addresses set forth below so that the papers are *received* on or before April 26, 2016.

90. You may not object to the Settlement, or any aspect of it, if you are not a member of the Settlement Class or if you excluded yourself from the Settlement Class.

91. If you wish to be heard orally at the Final Approval Hearing in opposition to the approval of the Settlement, the Plan of Allocation, or Lead Counsel's request for an award of attorneys' fees and reimbursement of Litigation Expenses, and if you have filed and served a timely written objection as described above, you also must notify the above counsel on or before April 26, 2016, concerning your intention to appear. 92. You may file a written objection without having to appear at the Final Approval Hearing. You may not appear at the Final Approval Hearing to present your objection, however, unless you first filed and served a written objection in accordance with the procedures described above, unless the Court orders otherwise.

93. You are not required to hire an attorney to represent you in making written objections or in appearing at the Final Approval Hearing. If you decide to hire an attorney, which will be at your own expense, however, he or she must file a notice of appearance with the Court and serve it on Lead Counsel so that the notice is received on or before April 26, 2016.

94. If you object to the Settlement, the Plan of Allocation and/or Lead Counsel's request for an award of attorneys' fees and reimbursement of Litigation Expenses, or otherwise request to be heard at the Final Approval Hearing in the manner stated above, you are submitting to the jurisdiction of the Court with respect to the subject matter of the Settlement, including, but not limited to, the release of the Released Claims contained in the Judgment. If the Court overrules your objection and approves the Settlement or the part of the Settlement to which you have objected, you only will potentially share in the Net Settlement Fund if you file a Proof of Claim Form in the manner stated in ¶ 80 above and the Claims Administrator approves your claim.

95. The Final Approval Hearing may be adjourned by the Court without further written notice to the Settlement Class. If you intend to attend the Final Approval Hearing, you should confirm the date and time with Lead Counsel.

**Unless the Court orders otherwise, any Settlement Class Member who does not object in the manner described above will be deemed to have waived any objection and will be forever foreclosed from making any objection to the proposed Settlement or Lead Counsel's request for reimbursement of expenses.
